## PROFESSIONAL EXPERIENCE

### DAVIS BRODY BOND ARCHITECTS & PLANNERS

www.davisbrody.com  
New York, NY

Associate  
October 2013 - Current

#### Morgan Stanley Adult Emergency Department

##### New York-Presbyterian Hospital New York, NY • Addition, Renovation

Architect of Record for \$75M, 40,000 sf expansion, renovation, and modernization of the existing Adult ED. Functioning as a main hospital entrance, the new glass pavilion and limestone recladding create a symbolic architectural statement, complementing the adjoining historical buildings. Construction will be completed in 6 phases, scheduled to be completed in 2017.

#### New Embassy Compound

##### U.S. Department of State Office of Overseas Building Operations Pristina, Kosovo • New Construction

Bridging documents for a new 170,000 sf campus-style U.S. embassy in a mixed-use area. Buildings, centered around an outdoor plaza, are designed to address security restraints while providing a welcoming, aesthetic, and technologically advanced design.

### DASILVA ARCHITECTS

www.dasilvaarchitects.com  
New York, NY

Project Manager  
September 2008 - August 2013

#### Morgan Stanley Adult Emergency Department

##### New York-Presbyterian Hospital New York, NY • Addition, Renovation

Associate Architect and medical planning expert working with Davis Brody Bond on feasibility through construction of Adult ED modernization. The renovation doubles the number of treatment spaces in one of New York's busiest EDs, reorganizing workflow toward patient-centered care and establishing lasting infrastructure.

#### Center for Autism and the Developing Brain

##### New York-Presbyterian Hospital White Plains, NY • Renovation, Historic Preservation, LEED

New LEED certified center for the evaluation and treatment of children and adolescents with Autism Spectrum Disorder in historically landmarked gymnasium. This groundbreaking center addressed challenges of designing for users with autism by using architecture as an integral feature of treatment.

#### Comprehensive Lung Center

##### New York-Presbyterian Hospital New York, NY • Renovation

Design and development of \$10M state-of-the-art outpatient medical offices for thoracic surgery, pulmonary, and thoracic oncology practices, creating spa-like patient centered environment. Shaped and implemented multi-phase relocation plan with facilities development and end-users.

**Herbert Irving Pavilion 5th & 6th Floors**  
**New York Presbyterian Hospital/Columbia University Medical Center**  
**New York, NY • Renovation**

Renovation of 30,000 sf on two floors of an existing medical office building for seven outpatient specialty practices. Improved visitor and staff flow with open reception area, taking advantage of natural light. Led design with end-users and facilities groups and construction administration, including temporary and permanent relocations.

**Employee Health Center**  
**Memorial Sloan-Kettering Cancer Center**  
**New York, NY • Renovation**

Off campus 3,000 sf health center for hospital employees, including reception area, exam rooms, nurse station, and offices. Identified and addressed end-user vision for the space, implementing the project under stringent budget and schedule constraints.

**Methadone Clinic**  
**Montefiore Medical Center**  
**Bronx, NY • New Construction**

New 4-story Methadone treatment clinic funded by DASNY. Headed construction document phase, completing exterior and interior details, coordinating with MEP, structural, specification, and cost estimating consultants, and delivering documents meeting \$10M budget.

**Outpatient Rehabilitation Center**  
**Memorial Sloan-Kettering Cancer Center**  
**New York, NY • Renovation**

Schematic design through construction administration for conversion of two floor office space to physical therapy rehabilitation center with reception area, offices, exam suites, and treatment gym. Designed and detailed millwork, interfaced with consultants, wrote specifications, reviewed submittals, and completed close-out.

**BASSETTI ARCHITECTS**  
www.bassettiarch.com  
Seattle, WA

Architectural Intern  
Summer 2006

**Roosevelt High School**  
**Seattle Public Schools**  
**Seattle, WA • Renovation, Historic Preservation, New Construction**

Team member on-site during construction close-out phase for Seattle public high school, interacting with contractor and owner's rep and updating as-built drawings. Designed and produced marketing material for school rededication ceremony.

**Muckleshoot K-12 Tribal School Master Plan**  
**Bureau of Indian Affairs**  
**Auburn, WA • Master Plan**

Formulated program analysis including adjacency and flow diagrams, site analysis, and developed schematic presentation drawings for the Muckleshoot K-12 Tribal School Master Plan.
